

Serving Donors

You have a charitable dream; we can make it a reality

The Community Foundation provides services to donors to **help them achieve their charitable goals by making the process of giving easier and more efficient.**

We are your philanthropic partners, managing the administrative side of your charitable giving so you can experience the full joy of generosity.

Why partner?

- Enable tax savings for you
- Benefit those charitable organizations that are close to your heart, whether they are near or far
- Make your charitable giving more efficient
- Amplify your grantmaking capacity as investment returns grow your fund
- Draw on our local experience and knowledge
- Provide legacy options for you and your family

Ways to partner

- **Donor Advised Funds:** Donors recommend the nonprofit organizations in which they want to invest, and CFHZ staff do all the work in administering the grants.
- **Designated Nonprofit Funds:** Support a pre-determined nonprofit by providing annual financial support through a professionally managed endowment.
- **Scholarship Funds:** Honor loved ones, inspire scholarship recipients, and invest in the community's future.
- **Charitable Estate Management:** Have CFHZ distribute the charitable portion of your estate to make things easier on your executor and simpler for nonprofit recipients.

The Community Foundation manages its investments for long-term return and can accept virtually any type of gift for any type of charitable purpose.
