THE HOLLAND/ZEELAND PROMISE SCHOLARSHIP

In 2010, a group of business and community leaders came together to create the Holland/Zeeland Promise. This last-dollar scholarship is awarded to local highly-motivated students who are often the first in their families to go to college. Selection is based on a range of factors including high financial need, motivation to achieve a college or technical degree, and proven academic success. CFHZ is proud to be part of the Promise’s success story and future growth.
