The Community Foundation of the Holland/Zeeland Area (CFHZ) seeks to ensure that our community thrives today, tomorrow, and forever by building our Community’s Endowment to support high impact charitable projects, helping donors achieve their charitable goals, and leading and partnering in community-level initiatives. One service we offer our donors is the facilitation of scholarships for local students.

CFHZ awarded more than $860,000 in the 2020–2021 academic year for students to attend schools of higher education throughout the nation. Our scholarships are possible thanks to the generosity of many local individuals, families, and businesses who have invested in our community’s future through CFHZ by furthering the education of others.

CFHZ administers 103 unique scholarship funds including the Holland/Zeeland Promise Scholarship, our Community’s Scholarship. To learn more about our programs, how you can establish your own fund, or how you can contribute to the Promise, contact a member of our scholarship team or visit cfhz.org/scholarship.

In 2010, a group of business and community leaders came together to create the Holland/Zeeland Promise. This last-dollar scholarship is awarded to local highly-motivated students who are often the first in their families to go to college.

Promise candidates are nominated by their high school or Careerline Tech Center guidance counselors, or staff at Hope College’s TRIO Upward Bound Program, Boys and Girls Club of Greater Holland, or Latin Americans United for Progress.

Selection is based on a range of factors including high financial need, motivation to achieve a college or technical degree, and proven academic success. Since its inception, the Promise has been housed at the Community Foundation of the Holland/Zeeland Area where it has received administrative support.

_CFHZ is proud to be part of the Promise’s success story and future growth._

**What makes the Holland/Zeeland Promise unique?**

- The Promise **covers the remaining cost** of tuition, books, room and board.
- The Promise is **renewable** for additional undergraduate years.
- The Promise offers a **side-by-side** approach with support services.
- The Promise encourages **peer mentoring**.
- The Promise boasts a **94 percent graduation rate**.
- Many Promise graduates **return to our community** to live, work and give back.
