Unrestricted Funds

Establishing an Unrestricted Fund allows you to leave a personal, corporate, or family legacy in the community and know that the CFHZ Board of Trustees and staff will use the resources in the most effective way. CFHZ will always have local staff and board members who possess a broad perspective and knowledge of community issues, while maintaining close connections with the nonprofits seeking to address them. This expertise allows CFHZ to create the greatest impact for the community at the given moment. An Unrestricted Fund provides the resources to make these community investments possible. Donors who give a cumulative total of $10,000 may choose to name these funds that are part of our Community’s Endowment.

Field of Interest Funds

Establishing a Field of Interest Fund allows you to identify the needs in the community you care about most, while allowing the Community Foundation to identify the best possible community investments to meet those needs. Field of Interest Funds are also a great way to support the causes you care about beyond your lifetime as the organizations working on those issues will likely change over time. Field of Interest Funds are part of the Community’s Endowment and are professionally invested and permanently endowed to benefit the community for generations.
