

SCHOLARSHIP FUNDS

These funds are established to honor loved ones, inspire young people, and invest in the community's future. Higher education has long been seen as one of the surest paths to increased opportunities, but the costs associated with higher education can make it inaccessible for some students. In setting up a Scholarship Fund, donors show local students they believe in them, create a lasting legacy, and help our community thrive.

We make every effort to ensure fund names are listed correctly. If you have a concern related to this list, please contact our office at 616-396-6590 or info@cfhz.org.
